

**Vocabulary:** The key words for each chapter will be written on index cards and kept in a Ziploc bag. Students are asked to keep their bag in their green folders so that it goes home daily and returns to school the next day. Students should take the time to study their words as we work through the chapters so they can master the definitions. A quiz can be given at any time while we are working on the chapter.

## **Chapter 7: The Twentieth Century**

### **Lesson 1: The Progressives**

*Progressive, reform, suffrage, amendment*

### **Lesson 2: The Birth of the Automobile**
